Dedication

Throughout the years Twin Falls High School has built its standards to enviable heights as recognized by the Northwest Association of Secondary Schools. Each succeeding class has contributed to the goals of better citizenship, of higher scholastic ratings and of greater student participation in activities.

To the alumni who helped our high school to attain its present position and to many of them who have achieved notable success in various fields of endeavor we dedicate the 1947 COYOTE. We are proud of the record made by graduates of Twin Falls High School.

In reviewing the high lights of the year, may I say that the students of the Twin Falls High School have outstandingly represented their community as shown by their many worthwhile achievements.

The students who have worked to the best of their abilities are the ones who will receive the most benefit.

Let us always work together and keep this school a front seat driver.

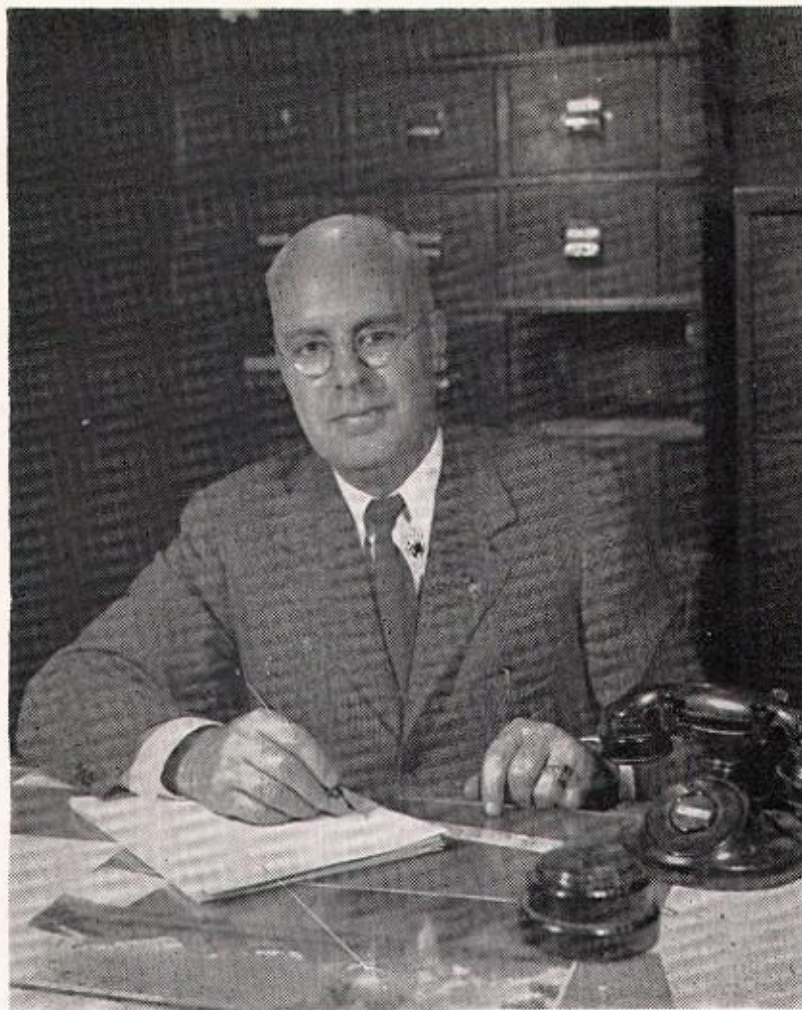

A. W. MORGAN, *Superintendent of Schools*

Education is growth. Growth aims to develop all of man's faculties: his ability to understand, to learn, to think, to work with others, to create, to appreciate the heritage of the past, to interpret present day problems, to value today's culture and civilization, and to promote the general welfare. It will make secure the future of our country.

Education teaches us not to gloat over past achievements; but to weld together the structures of today's civilization, the better to guarantee forever the ideals of democracy. What an opportunity a young person has to obtain an education and serve the greatest county of all time!

WILMA YOUNG

Juniors

For most of us, achievement, individually or in groups, is an important factor in life. It is especially gratifying to see the accomplishments of the junior class this year.

Last year we expressed the desire to create a worthwhile class career. This year we have tried to live up to that aim.

Our class officers have skillfully guided us through the year. Girls' League and Boys' Club have played a big part in promoting class cooperation. The junior play "Come Over To Our House," a hilarious high school comedy, could not have been a success without class organization. The Junior Prom was a beautiful and fitting tribute to the seniors we honored.

The end of this year is the two-thirds mark. We will work next year toward a triumphant climax, for our class realizes the importance of active personal participation in attaining real success. We are striving to do things that will be a credit to our school, our community and ourselves.

Sophomores

Our first year in high school has been filled with varied experiences and adjustments in an entirely new phase of education. Although we felt strangely out of place for a few weeks, we soon became accustomed to our new environment, and have made a creditable record in scholarship, citizenship, and participation in activities.

We look forward with eager anticipation to our next two years of high school life.

The Coyote

The publication of a worthwhile annual requires the cooperation and support of the entire school. As members of the staff, we wish to express our appreciation to the faculty and to the students of Twin Falls High School for their help in producing the 1947 COYOTE, a yearbook which we believe to be an accurate and attractive history of the current school year.

—THE STAFF

FORWARD—Anna Marie Anderson, Charles Conway, Beverly Crowley, George Jakway, Shirley Miller, Vernon Hansen, Doris Ann Weaver, Joe Cahill, Dorothy Allen, Max Kirkland, Ruth Becher, Elwin Bogar. FIRST ROW—Tommy Houston, Phyllis Burkhart, Mary Williams, Betty Milner, Peggy Ringwood, Helen Hafer, Don Carrol, Laurene Neilson, Dean Robbins, Virginia Higgins, Louise Hall, Orlene Golay, Joline Lyons, Jackie Hankins, Maggie Gandiaga, Jack Sears, Chris Jensen. Pep Club

Pep Club this year has striven to set up and to maintain new standards for school pep. We have instituted many new activities which have made Pep Club an even busier organization.

We have started a "T" formation for seating the members during the games. This makes a center of pep in the cheering section. The "T" formation is entirely new and not altogether efficient as yet, but as time goes on this can well become a custom of which Twin Falls will be proud.

This is the first year that the Pep Club has made trips to out of town games. We have had chartered buses for them. We have gone to many of the outlying towns, and next year perhaps these trips will include some of the bigger games in the more distant cities. We not only try to support the team at home, but we also try to help them win when they play games out of town.

Pep Club has amended its constitution to include more students in the organization. Formerly the club had only forty-two members; now our club consists of seventy-nine members. All aspirants sign up and names are drawn from a hat. This, we feel, is the democratic way and there can be no prejudice influencing the selection of members.

With all of these new members and the activities that we have undertaken, Pep Club has surely had a big year. We have set a trail to follow, and if Pep Club continues on this path, it will certainly become an even better club next year.

Bruin Staff

FIRST ROW—Jackie Hankins, Laurene Neilson, Doris Cornelison, Justine Gasser, Carol Nelson, Shirley Miller, Jonnie Detweiler. SECOND ROW—Orlene Golay, Norma Finke, Afton Speedy, Mary Hansen, Dick Harper, Mr. L. J. Schroyer. THIRD ROW—Maurine Gibbs, Betty Grow. FOURTH ROW—Emma Nishizaki, Wanda Miller, Betty Ownbey, Paula Swan.

This year the organization of THE BRUIN experienced a complete metamorphosis. It became a printed paper, then enlarged, adopted several new policies, and gained a new sponsor. For many years we have been striving to get THE BRUIN printed instead of mimeographed. This year we achieved our goal. On November 8, 1946, our first printed paper entered the world. It consisted of four pages and came out every two weeks; later it grew to six pages and is now published weekly.

Among our new policies was the Hollow Tree. Through this medium—a box in the hall to receive ideas—every student in school can contribute to the paper and express his ideas about its construction and content. We have had many helpful suggestions from the student body. We also renewed our membership in the National Scholastic Press Association, an organization to which high school publications can belong. One of their benefits is the Critical Service, which gives unbiased criticism about the paper.

Our new sponsor, Mr. L. J. Schroyer, has been the force behind the growth and development of THE BRUIN. His determination and guidance have made the paper what it now is.

FIRST ROW—Dick Harper, Shirley Miller, Laurene Neilson, Afton Speedy, Jacklyn Hankins, Jonnie Detweller, Mr. L. J. Schroyer.
SECOND ROW—Shirley Adams, Orlene Golay, Norma Finke, Anita Miracle.

Quill and Scroll

Quill and Scroll, the international society founded to promote journalistic writing, is an honorary society in Twin Falls High School. To qualify, a journalistic student must be in the upper twenty-five percent of his class; have written at least seventy-five inches in THE BRUIN; have done outstanding work in some phase of journalism; and have been recommended by the national secretary-treasurer. After initiation each member receives a certificate and a gold pin.

Two years ago Quill and Scroll edited and published a booklet "THE FIRST HUNDRED YEARS" which is a history of Twin Falls County from 1811-1911. The project for the organization this year was to sell some of these booklets.

Our group this year was small, but we had some good times and benefited from our membership in Quill and Scroll.

FIRST ROW—Miss Ruth Leth, LaDonna Hankins, Barbara Kelso, Jeannine Sears, Elaine Pace, Velma Koepplin, Fay Sherretts, Jackie Hankins, Donna Lee Priest, Maurine Gibbs, Phyllis Osborn, Pat Modlin, Esther Kawako, Donna Custer, Dorothy Orwick. SECOND ROW—Darlene Christian, Joyce Knox, Rosalie Mack, Evelyn Bohrn, Sylvia Richardson, Norma Isom, Darlene Murri, Maxine Rose, Emma Nishizaki, Beth Johansen, Janet Boyd. THIRD ROW—Marjorie Pennock, Lucille Munger, Betty Wurst, Louise Selber, Helen Graybill, Shirley Grow, Dorothy Barrington, Betty Wilson, Barbara Andrews, Dellora Turnbaugh, Betty Ownbey, Lela Johnston, Janet Pettygrove. FOURTH ROW—Mildred Kinney, Barbara Blanchard, Margaret Savelberg, Katherine Berks, LaDawn Tolman, Jewel Adamson, Bonnie Custer, Genevieve Pearson, Betty Grow, Juanita Starry, Shirley McCabe, Leona Campbell, Ina Mae True.

Future Homemakers of America

"Toward New Horizons," the motto of the F. H. M. Club, is the guide for the functions of this organization. Their ultimate goal is an enrichment of their lives and of the lives of their families of tomorrow.

Regular meetings are on alternate Wednesday at noon. Miss Florence Schultz and Mrs. John E. Hayes were guest speakers at special night meetings. Ten girls of the local chapter attended the Southwest District Conference in Jerome and twenty members were present at the annual Spring Conference in Boise in April.

This year for the first time pins and costumes of white sweaters and red skirts, emblematic of the club, have been worn.

Projects to raise funds have been the washing, ironing, and selling of aprons which were left in the laboratory of the club, and the selling of apples and hot dogs at athletic contests.

Debate

The highly interesting and mind-developing activity of debating has grown out of an exercise of the American right to the freedom of speech. This year Miss Mizer, who is recognized as an outstanding debate coach, revived a subject which has been dormant in our school since 1941.

Although many schools include this phase of speaking as an extra-curricular activity, T.F.H.S. offers it as a subject in the regular curriculum. From the debate class is chosen the varsity team. Members of the team are Dick Irwin and Lucien Voorhees, affirmative; Gordon Figge and Charles Palmer, negative; Dwayne Harder, alternate.

As the climax of a busy season, which included trips to Lewiston, Denver, Emmett, Hailey, Buhl, Gooding, and Kimberly, our team won the district debate championship and will compete in the state contest at Moscow.

It is sincerely hoped that interest in debating will increase and that it will continue to be included in the curriculum.

FIRST ROW—Mr. K. E. Kail, Honorary Member; Mr. A. W. Morgan, Honorary Member; Stanley Burgman, Gerald Tews, Howard Miller, Bruce Lulloff, Eddie Skinner, John Requa, Armond Wooley, Norton Morse, Scott McMaster, Cecil Stanger, Bob Stanger, Jim Messersmith, Bob Holloway, Arthur Farhenhoz, Billy Groom, Darrel Schnitker, Mr. John Flatt, Honorary Member; Mr. Ralph Edwards, Advisor. Future Farmers of America

The Twin Falls Chapter of the F. F. A., whose membership includes every boy enrolled in the agricultural courses of our high school, has had one of its most successful years.

In district and state competition the judging teams have placed first or second in six of the seven contests.

Four members, Norton Morse, Bill Walker, Melvin Janes, and Neil Stiegemeier represented the chapter at the national convention which was held in Kansas City, Missouri, October 21-24, 1946. They received a great deal of inspiration by watching and hearing national officers and state delegates.

Bob Holloway and James Requa won first and second places respectively in the bean growing contest sponsored by the Bean Growers Association of Twin Falls. Many premiums were awarded the boys for their livestock exhibited at the Twin Falls County Fair.

The chapter activities have been numerous, and it is felt that under the leadership of the 1946-47 officers much has been done to live up to the aim of the F. F. A. which is "the development of agricultural leadership, cooperation, and citizenship."

Marvin Centers won the 1947 State F.F.A. Public Speaking Contest and will compete in the regional contest at Bozeman, Montana.

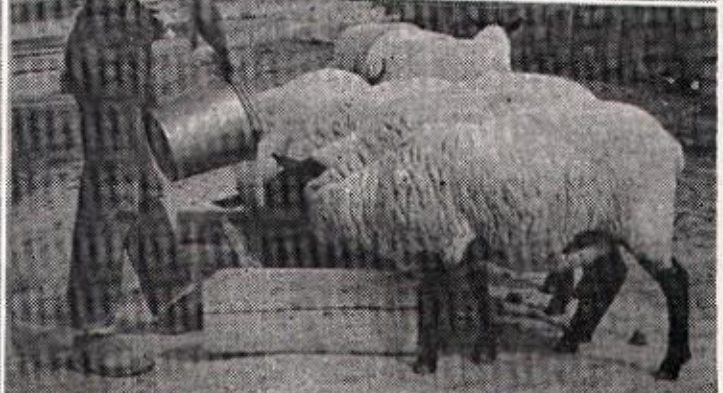

The degree of *State Farmer*, the third highest award given to Future Farmers, was received by Jim Messersmith, Scott McMaster, Dick Adams, Tom Boyd, and Allen DeVries in 1946. Bob Holloway achieved this distinction in 1947.

Boys' Club

All boys in Senior High School are members of the Boys' Club. The organization is very democratic in all of its activities. Boys' Club is especially concerned with discovering and developing any particular talents that its members may possess. Student participation is the key-note of all meetings and activities. Wholesome entertainment, education, and group guidance have been the goals of the Club during the past year.

Our meetings have all been interesting and varied. We have built them around the themes of Sportsmanship and Safety. This year, as in the past, we have enjoyed and appreciated the cooperation of many outstanding professional and business men of the community in assisting us with our programs.

The Club has always sponsored a wide variety of boys' activities, so that there will be a place somewhere for every high school boy to be a part of a worthwhile organization. This year Boys' Club added the Rifle Club to the list. We financed the building of a modern, up-to-date, indoor range under the stadium at Lincoln Field. Those boys who have enjoyed the use of the range should be most thankful to Boys' Club.

Rifle Club

Evidence of a progressive spirit in Boys' Club is shown by the inauguration of a Rifle Club this year. Every boy in school is eligible for membership, but he must first pass a test that covers a training period of six weeks. Two training courses have been given, and another is planned before the close of school.

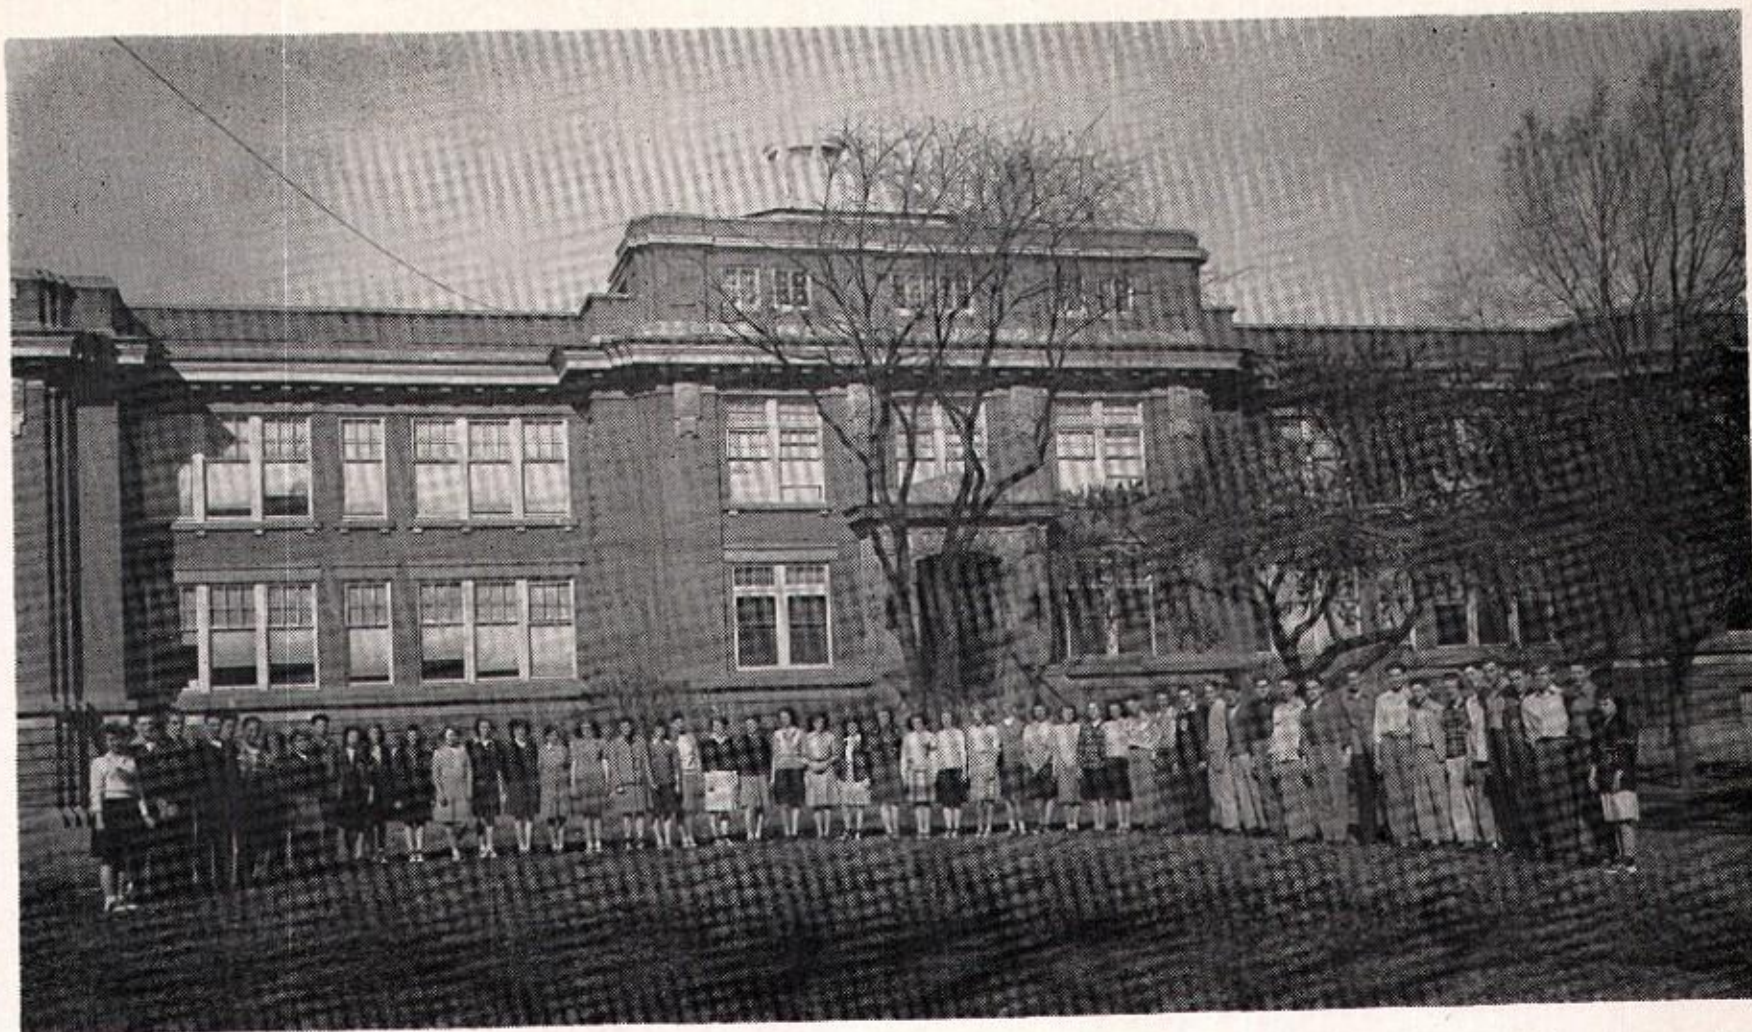

As our organization is affiliated with the National Rifle Association, we are to receive rifles and ammunition from the federal government. This spring we are planning a marksmanship contest for our members. It is hoped to have interscholastic rifle matches in the near future.

Ski Club

Have you ever had the thrill of racing down a snow-covered slope on skis? Or perhaps you have long wanted to engage in this exhilarating winter sport, but have needed some encouragement before risking life and limb on two narrow hickory sticks.

The Ski Club of T.F.H.S. was organized this year to benefit both the experienced skiers and the novice. During the skiing season buses were chartered to take club members to Magic Mountain where skiers of varying degrees of ability could use slopes comparable to their skill. Plans for the future include weekend excursions to famous Sun Valley.

Since Twin Falls is the gateway to the winter playgrounds of Sun Valley and Magic Mountain, this program is destined for even greater popularity in our ski-conscious student body.

Girls' League

Nine years old! Girls' League is a big girl now! In 1938 the league was organized under the fine leadership of Virginia Ann Chase Seager. Through the years Girls' League, a democratic organization to which every girl in T. F. H. S. automatically belongs, has flourished, always strengthening its objectives and ideals. Today the League functions effectively to give the girls of the school a voice in school affairs as well as to provide a guidance program and a wealth of social and service activities!

All Girls' League presidents have been outstanding girls. This year is no exception. June Geer has been "tops"! She started the year with the "Senior Slumber Sleeper" and everyone has been "wide awake" ever since. Our Big-Little Sister movement was initiated at the "Three-Ring Circus" rally. Sophomore girls were acquainted with high school customs, responsibilities and opportunities. We hope the friendships established between senior and sophomore girls will enrich the high school days of everyone.

In November we held the annual All Girls' Mixer. The featured theme was "The Cherokee Pow-Wow." Indian games, music, stories and dancing were enjoyed. In true Girls' League efficiency, a real Indian Chief was produced—Chief Hailstorm. Around a typical Indian village camp fire the famous chieftain taught the girls, who were garbed as Indians, a characteristic native dance. Three hundred girls participated in this party.

We have had some splendid League assemblies this year. The senior girls sponsored a vocational program highlighting the occupations now open to women. The dramatizations were good. The Junior Unit, as usual, walked away with honors for its Christmas program—"Christmas in Many Lands." The tableaux were spectacular and the music most beautiful. The Mexican scene was one of the finest. The Junior girls, under the able leadership of Evelyn Dean, not only presented this elaborate program to the League, but also appeared at the County Farm and several civic organizations. The Sophomore Unit sponsored an "Emily Post" program—Mrs. Eloise Stokes gave a series of readings from the book, "Smarter and Smoother."

In February our Sweetheart Ball was held. By popular vote June Geer was chosen to be the Queen of Hearts. Emma Lou Luke was Senior Princess; Joyce Fisher, Junior Princess; and Donna Rae Bagley, Sophomore Princess. The senior girls are to be commended for their work in decorating the gym. It was a beautiful setting for a lovely dance. Every detail was perfect. Long will we remember it.

One of our girls, Dorothy Allen, will have the honor of representing Idaho at the D. A. R. Good Citizenship Pilgrimage to Washington, D. C., in May.

Girls' League is not all just good times. Much of the concern of the girls is given to community problems, and every girl has the opportunity to practice being a good citizen.

Senior girls leave this farewell word, "Carry on, Girls' League!"

Thespians

This year Thespians feel that they have reached their goal in contributing to a successful school year. Topping our list were three plays: *BERKELEY SQUARE*, *BLYTHE SPIRIT*, and *COME OVER TO OUR HOUSE*. Thespian awards were given to the best sustained characterizations and to the finest comedy roles portrayed. Those receiving "Oscars" were Gordon Figge, Jackie Beymer, Emma Lou Luke, Dick Harper, and Ann McMillan for *BERKELEY SQUARE*; Gerry Sinema, Betty Fink, Jane Anderson, and Joyce White for *BLYTHE SPIRIT*; Bill Watts, Max Kirkland, Beverly Crowley, Evelyn Dean for *COME OVER TO OUR HOUSE*.

Troupe 256 boasts four honored Thespians this year. Their names will be submitted to the National Honor Roll. The four four-point Thespians are Gordon Figge, Emma Lou Luke, Helen Baird, and Bud Scholes.

A two day initiation for the new pledges and a party for the seniors given by the juniors were added attractions.

We are deeply grateful to our new dramatic coach, Miss Jean Mizer. Her help and suggestions were greatly appreciated.

Girls' Athletic Association

The Girls' Athletic Association, a unit of the Girls' League, is an organization designed to promote interest in sports for girls. Any girl in high school whose interests lie in this direction is eligible for membership. The major sports included in this program are basketball, baseball, volley ball, tennis, and this year tumbling was added. Interclass and inter-team tournaments are played, and participation in these sports earns five points for each girl toward her class citizenship cup, while the winning of a tournament will earn 20 to 50 points. The basketball tournament was won by "The Lefties" of the Senior Class.

This year Miss Mary Andersen was chosen to be the sponsor of G. A. A. Under her enthusiastic and able leadership a constitution was written, consisting of a preamble and six articles. It proved to be very helpful to the girls. A definite and efficient point system was instituted, clarifying qualification for initiation and the number of letters and stripes for the girls.

The first of many projects carried out this year was the sale of hot dogs at the District Basketball tournament, which earned for the organization a sizeable sum of money. Initiation was held in February, at which time six girls were qualified to join. In March, the annual banquet honoring the new members and the new sponsor was held. A newly instituted play day was held for the out of town associations. All these projects proved to be very successful, and the year was climaxed by a swimmer at Banbury's.

The G. A. A. draws the interest of a large group of girls, and Miss Anderson has given most generously of her time and talents to make it a success.

Bruin Club

The Bruin Club is an organization of boys who have earned varsity letters in football, basketball, baseball, track, or have been student managers of a major sport. Although, as a club, their major interests are in the athletic program, other projects of worthwhile value to the school have been undertaken. Their service in promoting school citizenship has been very beneficial.

It has become the annual custom of the club to sponsor a sport dance, a color week and a spring hayride.
